There are 4 levels of Storage

EXPLORER
No Storage

BRONZE
1Gb per pupil

SILVER
2Gb per pupil

GOLD
5Gb per pupil

Evisense Explorer is the perfect starting point for schools looking to strengthen parental engagement, track learning experiences, and build strong home-school links – all without needing media storage.

1Gb will store around 1,000 photos or around 2 hours of video.
If you are going to store lots of video, we recommend the Silver or Gold plans.
