Connecting Steps Assessment Software Order Form for Schools in Scotland

Number of Students

The FULL version of Connecting Steps includes AI and the ability to sync with MIS systems. Our cutting-edge AI technology will revolutionise your report writing process. Our AI will summarise key achievements and next steps for each student and can translate the summary into over 40 different languages.

Training

Free onboarding session for all schools purchasing the FULL Software

Self-paced online training courses are FREE to access through our support site - support.bsquared.co.uk

If you prefer a training session for your school, we recommend our online training. This comprises of 2 live sessions with one of our trainers, the first is an introduction and run through of the software, teaching staff how to use the software and the second session is a follow-up session tailored to your needs. Face to face training is available, if preferred.

B Squared Training Options	Price	Tick Box
Online Training Sessions - 2 x 1 hour sessions	£150	
Half Day Training/Visit	£500	
Full Day Training/Visit	£800	
SENDcast Sessions Subscription - online CPD/Training	£100 (annual)	

Please contact our Sales Team if you have any pricing queries or you are an existing customer and would like to upgrade.

Specialist Assessment Content for Students with SEND

All assessment content is a one time purchase

The cost is based on the number of students you will be using the framework with. All packs in a framework must be purchased at the same student level. Different frameworks can be purchased at different student levels.

Framework: Autism Progress

For pupils with ASD, both pre-diagnosis and post diagnosis. Based on SCERTS, it is designed to be used alongside your academic assessment to help profile a pupil's autism.

This framework is recommended for students with ASD, from birth through to early adulthood.

Student Licence Level <small>(Content is a one time purchase)</small>	Autism Progress	Tick Box
Up to 30 students	£250	
Up to 65 students	£500	
Up to 100 students	£750	

If you want to use this framework with over 100 students, please contact our sales team.

Framework: Communication and Interaction

Designed to be used by teaching staff and the speech and language team. It is designed to be used alongside your academic assessment to help support pupils' Communication and Interaction needs.

This framework is recommended for students struggling with Communication and Interaction.

Student Licence Level <small>(Content is a one time purchase)</small>	Communication & Interaction	Tick Box
Up to 30 students	£175	
Up to 65 students	£350	
Up to 100 students	£525	

If you want to use this framework with over 100 students, please contact our sales team.

Framework: Social, Emotional and Mental Health (SEMH)

Designed to be used by teaching staff and support teams to assess and support pupils' social, emotional, and mental health development. It is designed to be used alongside your academic assessment to help identify needs around emotional regulation, social skills, and wellbeing. This framework is recommended for students struggling with SEMH needs, including emotional regulation, relationship building, and managing social situations.

Student Licence Level <small>(Content is a one time purchase)</small>	SEMH	Tick Box
Up to 30 students	£250	
Up to 65 students	£500	
Up to 100 students	£750	

If you want to use this framework with over 100 students, please contact our sales team.

SQA Nationals 1-6

We have created an extended structure for each of the National Standard Levels 1-6. We've added over 100 different courses or modules to our extended structures. If you're running a course or module and it's not in the extended structure, please contact us and we will add it into the system.

Education for Sustainable Development Goals

Based on guidance from the UN. A single level, covering all 17 areas. The content is split into cognitive learning objectives, socio-emotional learning objectives and behavioural learning objectives.

Want to capture even more progress?

Upgrading from Evisense Explorer to Bronze allows you to upload photos, videos, audio clips, and PDFs — bringing each pupil's story to life. Visual evidence is powerful for celebrating progress, strengthening EHCP reviews, engaging parents, and building richer learning journeys. You can upgrade at any time and start capturing those 'wow moments' that words alone can't fully show.

If you want to find out more visit evisense.com/meeting

All schools get Evisense Explorer

Evisense Explorer is now included with Connecting Steps licences at no extra cost.

It gives you access to Evisense for text-based evidence, comments, home-school diaries, reading diaries, and secure parental communication.

Explorer does not include media uploads (photos, videos, audio clips or PDFs). If you wish to upload media, you can upgrade to Evisense Bronze at any time.

Need more help?
