Preparing for Adulthood (PFA) Assessment Content

All assessment content is a one time purchase

The cost is based on the number of students you will be using the framework with. All packs in a framework must be purchased at the same student level. Different frameworks can be purchased at different student levels.

Preparing for Adulthood is a crucial part of the EHCP Process

It is important to support young people with special educational needs and disabilities (SEND) to achieve their aspirations and goals as they transition into adulthood. This includes planning and providing support in key areas such as education, employment, independent living, community participation, and health and well-being.

Our Preparing for Adulthood framework is designed to support students from Early Years through Key Stage 3 or Key Stage 4. After this, students can seamlessly transition to our Steps 4 Life framework, which provides continuous support up to the age of 25.

Framework: Preparing for Adulthood

Preparing for Adulthood is our framework for individuals with SEND, it is designed to be used alongside the Progression Steps or Primary Steps academic assessment frameworks (Progression Steps 1–10).

This framework is recommended for Early Years through to KS4
